## COMMUNICATE AND COLLABORATE

COMPETENCE	LEVEL FOUNDATION	LEVEL INTERMEDIATE	LEVEL ADVANCED
<b>Respect the netiquette</b>	I know basic behaviour norms that apply when communicating and interacting with others using digital tools.	I know behaviour norms that apply when communicating and interacting with others using digital tools; I know about ethical issues in digital media, such as visiting improper websites and cyber bullying, and understands that different cultures have different communication and interaction practices.	I can apply the various aspects of netiquette to different digital communication spaces and contexts. I know strategies to detect inappropriate behaviours and avoid online conflicts.
<b>EXAMPLES</b>	<p>I am participating in a debate on a bicycle enthusiast forum. I know that when I write a comment, I have to be careful not to use offensive terms to other forum members.</p> <p>The teacher created a discussion forum for my class on the school platform. Before interacting and writing my contributions, I carefully read the online rules of conduct that the teacher gave us.</p> <p>In a video conference call with my classroom, I respect the etiquette tips using chat functions to ask questions.</p>	<p>I am participating in a debate on a bicycle enthusiast forum. I always re-read my contributions to ensure that comments are not offensive or unethical, and if I receive such comments from others, I know how to block their messages or who to inform about the problem.</p> <p>The teacher created a discussion forum for my class on the school platform. When I post my contributions in the forum, I take care to respect the rules of conduct that the teacher has given us, and I recall my classmates when I notice that they do not respect them.</p> <p>In a video conference call with my classroom, I independently participate taking appropriate turns and manners to speak.</p>	<p>I am participating in a debate on a bicycle enthusiast forum. I have read official material online about ethical practices, and have also attended online sessions to keep up-to-date about any new issues which arise.</p> <p>The teacher created a discussion forum for my class on the school platform. Together with my classmates and with the supervision of the teacher, I draw up a list of rules of conduct to be respected in the interactions on the forum.</p> <p>In a video conference call with my classroom, I independently participate taking appropriate turns and manners to speak to be purposeful in conversation.</p>
